Key Findings Over Full Reporting Period

Garden Kitchen: Lower transaction volume

Transactions were 19.9% below budget during Oct 19–Nov 1, versus 0.2% below during Oct 5–18. Review traffic, operating hours, and availability around Oct 19.

Boardwalk Bites: Lower spending per transaction

Average check was 10.8% below budget; transactions were nearly on target. Review product mix, discounts, and drink or side purchases.

Lakeside Pizza: Lower labor productivity

Transactions per labor hour were 8.3 versus 10.0 budgeted, despite transactions meeting budget. Review scheduling, training, and operational delays.

Simulated data | Full reporting period: Oct 5–Nov 1, 2026 | Causes require further investigation.
